  - b. Kentucky State Deer Permit (out-of-state hunters need a non-resident deer permit)
  - c. Fort Knox Archery Deer Hunt Permit/tags
  - d. State-issued Hunter Education Certificate - required for hunters age 12-60. The one-time Kentucky hunter education exemption is acceptable but the hunter must be accompanied by an adult that meets the hunter education requirements above.

Additionally, all Tier 4 archery hunters must turn in a Hunter Information/Liability Release form (IMSE-KNX-PW Form 3553) to the Hunt Control Office. Proof of military status for military category hunters and photo ID for residency status must be shown when purchasing permits.

2. Legal hunting hours are 30 minutes before sunrise to 20 minutes after sunset, or as indicated on the Recreational Area Assignment Sheet (IMSE-KNX-PW Form 2973). ***Season dates are 13 September - 10 November, 26 November - 1 December, and 10 December - 4 January.*** There will be no hunting or scouting on Tuesdays or days the Hunt Control Office is closed.

3. **Hunting Area assignment/clearance:** Hunters must report in person to the Hunt Control Office (Bldg. 9297, 4916 Wilson Road) to sign into a hunting area and obtain a Recreational Area Assignment Sheet. The pink copy of the Recreational Area Assignment Sheet **must** be placed in the driver's side windshield of vehicle and be visible from the outside. You may sign up yourself and 4 others for an area up to 48 hours in advance, except for the weekends when sign-up will begin on Friday for Saturday and Sunday. Hunters may not be signed into more than 1 area at a time. Hunting area sign-up will be at the following times:

- First thirty minutes of operation - **Tier 1** - Active duty military and their family members.
- Beginning thirty minutes after opening - **Tier 2** - Disabled American Veterans with  $\geq 50\%$  service-connected disability designated by the Veterans Administration (VA) *and retired military*, and their family members.

Tier 3 archery hunters may also archery hunt in areas designated for the extended gun deer season on a space-available basis. Sign-up for these areas begins at 1:00 PM the day prior. **All** hunters hunting in the extended gun season areas **must** wear blaze orange. The dates for this season and sign-up procedures are listed in the Fort Knox Extended Gun Deer Hunting Guidelines.

4. When signing into a hunting area, **record an accurate local phone number, preferably a cellular phone, on the area assignment sheet where you can be reached for emergency purposes and/or clearance verification.** All personnel entering the installation are subject to search at any time by the military police.

5. All hunters **must** clear their hunting area with the Hunt Control Office daily by the prescribed clearance time. Clearance may be done either by calling the Hunt Control Office (502-624-7311 or 2712) or in person and verbally assuring to Hunt Control personnel that you are clear of the area. **Failure to clear on time is grounds for suspension of hunting privileges for 1 year.**

6. **Bag Limits:** 1 antlerless deer and 1 deer of either sex (antlerless or antlered with an overall antler spread of at least 12 inches) may be taken per hunter. **A hunter shall not take, or attempt to take, an antlered deer with an outside antler spread of less than 12 inches at any time. An antlered deer is a deer with at least one antler 4 inches long, or longer, as measured from the skin at the base of the antler to the furthestmost tip.** One additional antlerless permit per hunter may be available for purchase for use in specified areas, depending on population levels and if harvest quotas are not met. Harvested deer **must** be tagged according to the Deer Tagging Procedures instruction sheet attached to each tag. Hunters **must** check their deer at the Deer Check Station, which is located at the Hunt Control Office during the archery season. Failing to check your deer at the check station will be grounds for suspension of hunting privileges and prosecution by Fort Knox officials. Deer harvested on Fort Knox are bonus animals and are in addition to the Kentucky deer bag limits. Archery deer hunters may also harvest 3 turkeys (fall archery and gun seasons combined, one bird per day and no more than one bird may have a beard

length of 3 inches or longer), provided they have a Kentucky Fall Turkey Permit and a Fort Knox Fall Turkey Permit. Turkeys **must** also be checked in at the Hunt Control Office. Archery hunters may take an unlimited number of coyotes and feral hogs.
